

Location: Snohomish Aquatic Center
Status: Non-exempt

Reports to: Aquatics Manager
Hourly Rate: \$22.00 - \$25.00 per hour

POSITION SUMMARY

The Aquatics Lead is a full-time, benefited, hourly position. Under the direction and supervision of the Aquatics Manager, the Aquatics Lead will provide a supervisory role over aquatic staff including evaluating staff on required skills, supervising on deck, and discipline. This position will assist in the coordination of day-to-day pool operations, customer service, safety, and programming standards. The Aquatics Lead will assist the Facilities Manager in the chemical maintenance of the pools and adjacent spaces. This position will assist in the development of programs, activities, and events for all areas of water and support the pool schedule, including the outdoor water spray ground. This position will also be responsible for the inventory in this core programming area.

Qualified applicants must be available for work Monday through Friday from 5 am to 1:30 pm. Actual shifts may vary, up to 40 hours per week

QUALIFICATIONS

- Minimum of 18 years of age.
- Current certificates in CPR for the Professional Rescuer (CPR Pro), First Aid, AED and Lifeguard Training. Equivalent training certificates may be accepted.
